Introduction:

Westlock Gospel Chapel is an evangelical, elder-led, growing church with a variety of age groups and an average attendance of 180. We have a well-established AWANA program, Youth Group and Sunday School. We are located in a rural community near a large centre. We are a vibrant church, growing through discipleship, personal relationships and Spirit-led teaching of The Word.

Vision Statement:

We are a family of believers in Jesus Christ intentionally connecting people to His love, purpose and hope.

Purpose:

Westlock Gospel Chapel is searching for a full-time pastor to join our current pastoral worker team. As a team we are seeking to provide God-inspired teaching that will challenge mature Christians, develop those new in their faith and make the Bible relevant to those with no faith through teaching sound doctrine and the gospel message.

Teamwork expectations:

- Awareness and respect for the church's heritage and theology
- The pastoral team and elders make decisions by consensus (plurality of leadership)
- Spirit-led and has the ability to work effectively together as a pastoral team

The Candidate:

We've been praying that God would lead us to someone that would be led to serve as part of our pastoral team. Someone who demonstrates an ability to: train and mobilize people for ministry; provide doctrinally sound scripture-based teaching and preaching; shepherd through compassionate pastoral care; and reach out to those within the congregation and local community.
