**With Christ at the Crossroad of Guilt**

Guilt – “the legal and moral condition that results from  
a violation of God’s law.”

1) The legal condition:

**When we sin, we are guilty**

Romans 3:23 and separated from God

Romans 6:23 but in the gift of his Son, that guilt is  
removed (when we accept the gift.)

2) The moral condition:

a) If guilt comes from **God’s** conviction, **we must pay attention**

Psalm 38:1-10, 21, 22

John 8:2-11

with 2Chronicles 7:14

b) If guilt comes because **we have forgotten** God’s promises, **we  
must remind ourselves** of them

John 21:15-17 with 1 John 1:9

Psalm 103:12

Matthew 11:28, 29

Romans 8:1, 2, 33-35, 38, 39

c) If guilt comes because **those around us** try to impose it on us,  
**we must be sure** we are in the right

Matthew 26:57-63a

Luke 23:32-34a

d) If guilt comes because **Satan** is trying to disable us, **we must  
resist him**

Matthew 4:11 with 1 Peter 5:8, 9
