Hebrews 11

Lessons of faith, continued – Gideon

In the story of Noah, we saw that he could stand strong in his faith because of his righteousness, blamelessness, obedience, and his walk with God.

In the story of Rahab, we saw that she could stand strong in her faith because it was personal, active, courageous and sensible.

What do we find in Gideon?

God called Gideon to lead the Israelite people out of Midianite oppression. A faith was birthed in him through an ever-increasing awareness of God's presence in his life.

When **we** ask, "Where is God?" what needs to happen in our lives so that we, too, can have an ever-increasing awareness of God's presence as we live, day-to-day?

1) Humility

Judges 6:15, 1Timothy 1:15

2) Practicing the Presence of God

Matthew 25:40 - doing all as unto him

3) Building relationship through prayer

1 Thessalonians 5:17, Ephesians 6:18

4) Keep the big picture in mind

Judges 8:7, Hebrews 12:2, 2Corinthians 4:16-18, 2Kings 5:17
